

We have an exciting opportunity to join our team at the Compass Therapy Centre

Lead Oxygen Therapy Operator
(15-20 hours per week)
£25,000 per annum pro rata

We are looking for a part-time Lead Oxygen Therapy Operator (15- 20 hours per week) working with a small but inspiring charity, based in Leith, Edinburgh dedicated to supporting people living with neurological conditions.

This is a unique role, supporting the delivery of a unique service. Full training and support will be provided, and no previous experience required.

We are looking for someone who is good with people, has a sense of

humour, with some understanding of technical operations, but above all is flexible.

This role may suit someone who is early retired looking for part time employment, working with a local community organisation.

If interested please give Compass a call on 0131 554 5384, or email gordon@wearecompass.org.uk

You can **Download the Job Description** from our website www.wearecompass.org.uk

Please send covering letter and CVs to: genevieve@wearecompass.org.uk
