Booking Our Services

All Therapy bookings must be made at Reception. Payments can be made by Credit or Debit Card at reception or over the telephone.

On average our contribution levels/charges are 30% below commercial rates, additional your contribution directly helps and supports us in providing services for people living with long term neurological conditions.

Help Support Our Work

As well as the contributions you make towards the cost of your treatment, there are lots of easy ways you can help us continue our vital work. Check out our website at www.wearecompass.org.uk/donate for full details.
